Trouble in Dixieland takes Chiun and Remo Williams to the land of honky-tonks and hee-haws With the tiny Caribbean tourist trap of Union Island looking to declare its independence from the U.S., president-elect Greg Grom launches a "Free Union Island" movement, touring Dixieland to rally support. And amongst all the honky-tonks and hee-haws, some weird stuff is happening. Ordinary beer-swilling, foot-stomping yahoos are running amok, brawling like beasts on a rampage. Remo Williams is pretty sure Greg is slipping something into the local brew, but the why is another matter for him to solve.
